Sites in compensation for Loss of Houses in Mysore City.

Q.—406. Sri SHIVANANJE GOWDA (Mysore Taluk).—

Will the Government be pleased to state:—

(*a*) whether they are aware of the requests made by the people who have lost their houses as a result of the acquisition proceedings undertaken by the Government in the Mysore City to the effect that the sites formed there should be given to them alone in case the said sites are intended for sale;

(*b*) the number of persons who have lost their houses and to whom sites are granted so far in Mysore City

(*c*) the reason for recovering higher amount than the amounts actually spent by them from the ex-owners towards value of sites allotted to them?

A.—Sri T. CHANNIAH (Minister for Public Health and Local Self-Government).—

(*a*) Yes.

(*b*) *Vide* statement appended (from p. 1168.)

(*c*) The cost price of the sites formed in any layout includes the following:—

1. Cost of acquisition;
2. Cost of forming road;
3. Cost of providing underground drainage and water-supply;
4. Interest on the amount spent by the Board; and
5. Necessary percentage to cover establishment charges.

On account of the abovestated reasons, the cost of sites allotted to the owners would be necessarily more than the mere acquisition charges and such a cost has to be levied since all the schemes of the Trust Board are worked on a self-supporting basis.
